Scope and Contents

The Starkville Area Business and Professional Women's Club, established in 1972, is affiliated with the Mississippi Federation of Business and Professional Women's Clubs and the National Federation of Business and Professional Women's Clubs. The collection documents the activities of the group through correspondence, scrapbooks, yearbooks, and other records. The club's official year begins in July of each year and continues through June of the following year.

The part of the collection (1973-1986) that has been processed consists of the club's newsletters, yearbooks, scrapbooks, officers' notebooks, and volumes on various

activities submitted for competition in statewide contests. Also included are scattered publications of the state and national organizations.

The collection was donated by the club in 1985 and has been augmented by several additions. Further additions are anticipated.
